Christmas Robin!!

Christmas Robin
Christmas Robin
With your head bobbing
You are happy today!

Christmas Robin
Christmas Robin
With your head bobbing
Why are you sobbing?

Christmas Robin

What do you say?
You are hungry
And your family have flown away....

Get your stationery out, it's the PENPALS!!

While the Children's Pages editor and NL co-ordinator take care to verify that all pet/pen-pal correspondents are EO members, it is up to parents to inform themselves of what and to whom their children reply.

Children are reminded that they should consider the feelings of others when writing or responding to letters.

(For Pet-pals, full name and address of owner/carer - not just the pet - must be given)

CHRISTMAS CRAFTS!!!!

SORRY FOR LOSS OF ANY CONTRIBUTIONS AND PICTURES, MY COMPUTER BROKE DOWN AND I NEARLY LOST ALL THE EO CHILDRENS PAGES!

Spray Branch

ORIGINAL IDEA BY GEORGE OSBGERBY. (7)

1: Find a branch (possibly whilst dog walking?) please do not take branches from a live tree, only take branches that have fallen.

2: Paint (or you can spray) your branch with metallic or Christmas coloured paints!

3: Arrange it artistically in a plant pot. Alternatively, if you do not wish to start digging in your shed you could suspend your branch from the ceiling....

4: Hang with Christmas decorations or sweets. (you could use it as an Advent calendar!)

Christmas Game!

Needs: 2 or more people.

Stick celeb names on each others heads, then each ask five questions to guess who you are! You can be monsters, actors, singers, or pets!

CHRISTMAS CRAFTS: PET TREATS!

pet stocking!

You need:
Glue
Glitter
Cotton wool
Nice material

Instructions:
^Cut out your template ^
Use template to make
2 matching pieces of
stocking-shaped
material.

Tried!
Tested!
And approved!

Glue the pieces together.
Put your pet's initials in glitter,
wrap cotton wool around top
of stocking!

You can fill your stocking with a variety of nuts and fruit for your hamster (NO CITRUS!) mouse toys and cat nibblets for your cat, bones for your dog, or seed for your bird!

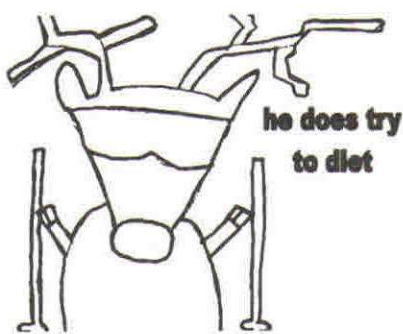

(BUT make sure your pet doesn't eat the whole stocking !!!)

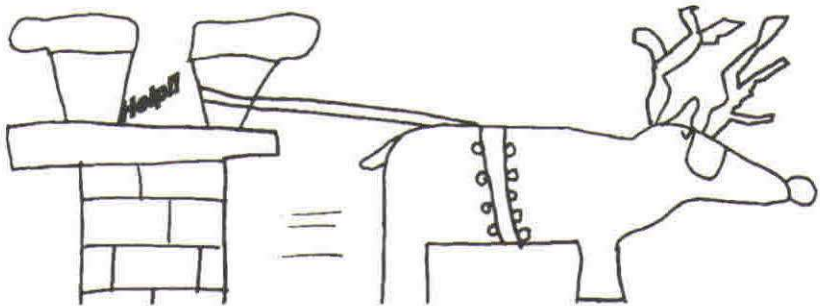

Want to include your hamster in the festive spirit?
Then use shredded wrapping paper instead of sawdust
to line the bottom of the cage!
It's perfectly safe, but don't forget to remove all the tape first!
