I have a cat called Molly; she is 18 - in cat years that is 88 years old! I also have two guinea pigs called Nutmeg and Spice. I like summer and seaside holidays, being in a caravan or on the beach so I have themed this issue on summertime! I really hope you enjoy it. Best wishes to you all – Hope studying is always fun!

Lemon Drizzle Cake Recipe

Ingredients

6oz Butter softened, 6oz caster sugar, 2 eggs, 6oz self-raising flour, Grated rind of one lemon, 4 tablespoons lemon juice

Glaze

Juice of one lemon

2-3 tablespoons icing sugar, sifted

Method

Turn your oven on to 160°C/135°F/gas 3. Grease a 1kg/21b loaf tin with butter. Line the base with greaseproof paper and grease. Put the butter and sugar in a large bowl and beat with a wooden spoon until pale, soft and creamy. Beat the eggs lightly. Dribble them into the mix and keep beating. If it starts to curdle add in a little flour. Sift the flour over the mix and add the lemon rind. Fold this into the mix with a metal spoon. Gently mix in the milk and lemon juice. Spoon the mix into your tin, spread it out and bake for 55 – 60 minutes. Stick a skewer into the cake - if it is cooked it will come out clean. Prick the cake all over. For the glaze, mix the lemon juice into the icing sugar. Pour over the hot cake in the tin. Remove after fifteen minutes. Cool on rack. Enjoy !!
