POEMS

A normal swine?

There was a farmer
And a very big swine
The farmer was drunk
And drank his red wine
The swine got out his gun
And filled up with his ammo
He aimed at the farmer
And went: bang! Bang! Bang! Bang-o!

THE POLICE heard it
And ran to the farm
The police had a cigar
And set off the alarm
The swine got very cross
And refilled his ammo
So he aimed at the police
And went: Bang! Bang! Bang! Bang-o!

The police were dead
So was the farmer
And the swine laughed out loud
And lived badly ever after
But then a squirrel heard him laugh
And went off to the farm
The pig was quite furious
He wanted to set off the alarm
But, no he did not
He refilled his ammo
The swine aimed at the squirrel
And went: bang! Bang! Bang! Bang-o!

The bullets missed the squirrel
The swine did not have the guts
The squirrel came over to him
And said, "You're nicked! I'm p.c. nuts
He arrested him on that day
Also picked up the dead farmer
Dumped the police in the skip
And lived happily ever after.

Home education
no tests for me
or gcse
I love no school
every one at school is such a fool
no noisy class
no projects to fail or pass
much more fun
we go for walks in the sun
go to museums every week
make flavour of potato and leek
home school is cool
home education
I bet you wish you are or were

Bloose Woose

One day there was a bloose woose.
He went to hide in a pig sty
And then he met a pie
Who was coming to find some juice
In a brown squiggly poose.
The pie got eaten by goose loose.
The goose loose got eaten by the pig sty.
The pig sty got eaten by the vampie.
The bloose woose went home in his vampie
And that was the end of him.

The Little Mermaid - by Holly Kaufman-Hill

The sea is washing up on the pebble ridge
You see something in the distance
It is a mermaid with a comb in her hand
She brushes her hair
The wave makes her hair sway about in the water
Slowly she disappears in the waves.

Hello,

This is a message for a Kjeth and Immogen Donaldson, from Ida. They both wrote to me but I didn't know if Immogen meant to include a road name or if 'Domus' was one already, and Kjeth, I wasn't sure if 'Nantry-Garrey' was a road name either. Please email me your addresses at shinydi@gmail.com or resend me them at Ida Fine, 70 Rudston Road, Childwall, Liverpool, Merseyside L16 4PH. Thanks. Or you can post them here, which will take longer.

An email list now operates for the children of EO members.
