I had a nice fight,
With someone in the night,
And there we stood fighting away.
Our swords clashed together,
With not so nice weather,
And there we stood fighting
all night and all day.
The next night we needed a nightie,
Because we had finished the fightie,
And now we, re best friends anyway.
By Alexandra Tomkins aged 8

A little red squirrel
ran up a tree,
And lived very near the sea,
The squirrel ate a nut,
He said I have never tasted
such,
A nice nut before,
I think that I will just,
Have one more.

WHAT IS E.O.

It is great, fab, wonderful brill. Not a chill in
the air.

No one is mean, but all green. Yet every so often,
we'll face a tear, but cheer up it's not all that bad
it is only one day a year, there is still 364 days
left to live.

Now lets think hard, lets think fast. We don't want
to go back to School or we'll face the past.
